

# KOZ

## DEC. 7TH @ 8AM-2PM

Come join us on the first Saturday in December at Ponderosa Bible Church. We will be teaching the young men the joy of giving back to the community. First we are going to decorate a trailer for a KOZ float in the light parade. Then we will be chopping wood using log splitters. This wood will be later donated to families in need during the cold of the winter. Lunch will be provided. There will be a biblical lesson and good fellowship around the fire. Hope to see you there!
